

COVENANT CHURCH

Fall Calendar 2023

Covenant's heart is for people to grow in a Christ-centered community. Our primary ministry strategy to help people grow and connect is through our **Community Groups**. We believe that the small group setting is the best place for you to become more like Christ. It is through our various groups that we are:

Building a Community to Reach a Community
So that Together we Enjoy and Share the Freedom of Jesus!

Use our **Group Finder** on Covenant's website to find an Adult Community or Growth Group. You will be able to find out about the different types of groups we have to offer this season at Covenant on that page: [Covenantdoylestown.org/adults](https://covenantdoylestown.org/adults)

Check out our Children & Student Ministries pages for specifics and details pertaining to them: [Covenantdoylestown.org/children](https://covenantdoylestown.org/children) or [Covenantdoylestown.org/students](https://covenantdoylestown.org/students)
