## What I give normally per year

What has been your giving pattern? Anything from \$0, the occasional \$20, or consistently \$2,000—put that in here.

## My expanded next step in faith

Whatever percent the Holy Spirit has put on your heart to give, not out of compulsion but freely, fill that in here.

## My new yearly commitment

Add these together, or if you're a First Time Giver write that new consistent amount, whatever percentage that may be.

## New yearly commitment amount x2 years

Multiply from the line above by 2 to see how much that would be over the next 24 months.

## Gifts from my stored resources or extra gifts

Are there any assets, items, stocks, possessions, or windfalls, that the Lord may be asking you to be generous with? You can always contact the office if you have questions about giving stock, or other questions. [KimH@Covenantdoylestown.org](mailto:KimH@Covenantdoylestown.org)

## TOTAL 2-YEAR COMMITMENT

March 2024 - February 2026

\$

Pray this over this card and bring it filled out to service on Sun, Feb. 25th. We also understand that things change. There may be seasons where it's faithful to give less than planned like losing a source of income or starting a new job, there may be other seasons when God surprisingly blesses us and our giving may even increase.

# DISCIPLESHIP GROWTH LEVELS IN GIVING

## FIRST TIME GIVER

Someone who has recently begun to be a disciple of Jesus with their finances.

## REGULAR GIVER

Someone who gives consistently to exercise the discipleship rhythm of Generosity. Often, this person has a giving plan. These givers experience the regular privilege of putting Jesus' words into action (Matthew 7:24).

## SACRIFICIAL GIVER

Someone who recognizes that Christ surrendered his whole self for us, and therefore we can safely surrender our whole self to him (Eph 5:1-2). They see giving as not only something that changes their spending and saving, but something that changes them. This informs how they use everything they've been blessed and entrusted with. They give regularly and often decide to give sacrificially over and above.

## KINGDOM PERSPECTIVE GIVER

Someone who is captivated by the knowledge that the more they are led to "do good, to be generous and ready to share," the more they, "take hold of that which is truly life" (1 Timothy 6:19). They make all decisions (big purchases, savings, giving, relationships, areas of service, retirement and inheritance) considering how it will affect their eternal impact. These people often have a "life giving plan," even blessing kingdom purposes through estate planning.
