Summer of Sabbath 2025

WITH COVENANT WOMEN

It's summertime at Covenant!

I love that God "makes me lie down in green pastures" (Psalm 23:2), because we do not rest well on our own. We need to be made to rest, because we were made to rest.

We invite you to pick at least one of these events within our community to find this rest and refreshment for your souls.

With joy,
Courtney Sneed,
on behalf of the Women's
Ministry Transition Team

Waiting by the Brook

Personal Study for the summer months.

We are inviting the women of Covenant to read *Waiting by the Brook* by Kathy-Ann C. Hernandez. This compelling story of Kathy-Ann's walk with the Lord is certain to encourage you to not get ahead, or lag behind the Lord's leading your life! Email Katie Marchese to let her know you're planning to read the book. Reading is at your own pace.
